

K-LOVE serves the community in the greater Salt Lake area by providing inspirational and positive music, as well as news and information of interest to the local community, all commercial-free. If K-LOVE were to go off the air in this area, there are no other local radio stations carrying similar family friendly content. I do not believe the best interests of this community would be served by replacing K-LOVE with a LPFM station. There is no guarantee that a LPFM station would carry the same content as K-LOVE or serve the community in the same way that K-LOVE has, and without commercial interruption. K-LOVE is safe for the whole family to listen to, unlike virtually all current commercial radio stations. Thus the greater Salt Lake community would be negatively impacted if K-LOVE were to go off the air and replaced with a LPFM radio station.
